NOW, YOU CAN GIVE YOURSELF THIS FANTASTIC POWER FASTER THAN YOU EVER DREAMED POSSIBLE...with the SUPER-SPEED, SUPER-KARATE POWER METHOD. In just 2 hours you can be on your way to becoming an invincible Karate Master, at home, or it costs you nothing!

WALLACE W. REUMANN

Author of "SUPER KARATE" and world famous authority on KARATE, is the Dirk Instructor of the U.S. Army, recognized by the International Karate Federation in Tokyo.

I spent 3 years of my leisure time learning the little known secrets of KARATE and was awarded the 4th Degree Black Belt—symbol of the highest possible proficiency. Now I'm going to reveal my every secret. I promise—and I guarantee I'll make you into a KARATE Specialist within hours—or every cent you paid for my information will be refunded.

You don't have to stand either 6 feet tall or weigh 200 lbs. to master the jaw dropping secrets of KARATE experts use. I can show you how to practice KARATE in the privacy of your own home with only a few minutes of practice a day. I have just packed all my secrets into a book called "SUPER KARATE" profusely illustrated and clearly explained.

In this book I take you step by step through the fundamentals of KARATE so that you understand clearly and immediately the principles involved. I show you how to make your muscles of ANYONE you may meet—no matter how big he is or how much he weighs!

YOUR BEST IS YOUR PROTECTION!

The secret of supreme power of KARATE is that it uses the strength of your entire body to the utmost advantage. It teaches you how to put your whole weight behind every blow. It shows you how to use your hands, arms and legs like lightning powered weapons of attack. When you learn how to use KARATE, you disarm and disable your opponent in SECONDS!

Any man, regardless of age, sex or size, can apply KARATE. Even you can cut an aggressor down with a blow of the side of your hand. You can toss an attacker over the other end of your shoulder and slam him into the ground. You can paralyze your opponent with a finger jab. You can kill with a single karate chop. KARATE is all this and more.

With KARATE you can disarm an opponent rushing you with a knife. You can defuse a gun in the hand of an attacker. You can turn an aggressor's own weapon against him. You can use only your bare hands to turn your enemy's strength against him.

MASTER EVERY SITUATION

With KARATE you can disarm and disable two, three or even four attackers. You can apply a simple pressure of your thumb and finger against any one of a dozen vital nerve centers of your opponent and watch his gun or knife fall from his nerveless hand while he himself collapses to the ground completely helpless and limp.

In fact, a knowledge of KARATE will turn you into a NEW MAN even if you never actually have to use it! For you will become self-assured and completely unaware of yourself as you begin to handle your self. You will walk with a determined and confident step you'll look any man in the eye and you'll walk the streets with the knowledge that you CAN do whatever is necessary—that you can deal with any man, any weapon, any situation! And that you can do all this with NO bodily contact!

Costs ONLY $98

You owe it to your own peace of mind to let your hands down, to be able to defend yourself in any situation. Let me show you how at any time from bold criminals and twice ugly muscle-bound bullies. An illustrated instruction on KARATE can be yours for the price of only $98 plus 35c for postage and handling. If you find your friends don't say KARATE has made a new man out of you, every cent will be refunded!

IT'S NO SALE! YORE JUST TRYIN' TO SAVE YORE OWN SKIN BY RISKING OURS!
TOGETHER WE CAN WIN! I'M SURE OF IT!
I RECKON WE JUST DON'T HAVE THE SPINE FOR FIGHTING, KID!
AND, AS TIME RUNS OUT...
YUH FIGGER THEY'LL TURN THE KID OVER TO US!
THEY'D BETTER, IF THEY WANT TO SEE ANOTHER SUNRISE!

THE KID IS A ROUGH CUSTOMER! I DON'T WANT HIM TAKIN' US BY SURPRISE!
LOOK! HERE HE COMES!
BUT HE'S NOT TOTIN' HARDWARE!
HIS EYES ARE COVERED! IF THIS IS SOME KIND OF TRICK...

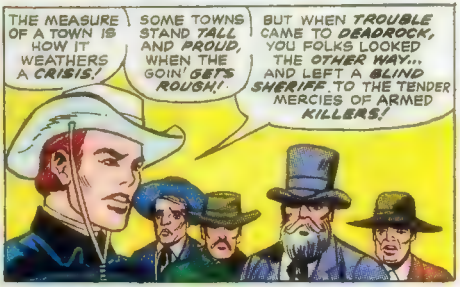
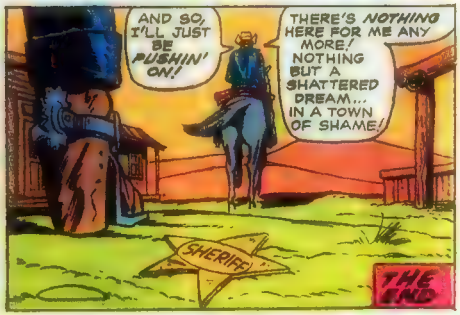
THE IRONIC THING IS THAT I DON'T EVEN REMEMBER HIM!
HE'S JUST ANOTHER FORGOTTEN FACE FROM THE TURBULENT PAST!

LATER, AT DEADROCK...
THE KID IS BACK!
THAT MUST'VE BEEN SOME SHOOT-OUT!
WISH I COULD'VE SEEN IT!
HERE'S YOUR HARDWARE, SHERIFF!
HE BEAT CLANTON, AND ALL HIS MEN!
THANKS... BUT I'M NO LONGER YOUR SHERIFF!

I'LL DEFEND FOLKS WHO ARE WORTH DEFENDIN'... BUT NOT YOU!
SHERIFF



THE MEASURE OF A TOWN IS HOW IT WEATHERS A CRISIS!
SOME TOWNS STAND TALL AND PROUD, WHEN THE GOIN' GETS ROUGH!
BUT WHEN TROUBLE CAME TO DEADROCK, YOU FOLKS LOOKED THE OTHER WAY... AND LEFT A BLIND SHERIFF TO THE TENDER MERCIES OF ARMED KILLERS!



AND SO, I'LL JUST BE PUSHIN' ON!
THERE'S NOTHING HERE FOR ME ANY MORE! NOTHING BUT A SHATTERED DREAM... IN A TOWN OF SHAME!

THE END

TELLIN' IT LIKE IT WAS, IS, AND OUGHTTA BE!

ITEM! Just thought you'd like to know – the outspoken young fan who gave us the idea for the Ranks of Marveldom a few years ago (R.F.O.'s, F.F.F.'s, etc.) is now a full-fledged editor, turning out possibly the greatest fan mag of all for our own MARVELMANIA INTERNATIONAL! His name's MARK EVANIER, and he and his assistant editor, STURDY STEVEY SHERMAN, came to visit us the other day from sunny California where Marvelmania has its headquarters. They're a couple of young, zingy with-it guys, and after yakkin' it up with 'em for a while it's easy to see why MARVELMANIA has become the toast of fandom! They were in town to attend the famous ComiCon '70, and speaking of conventions—

ITEM! We just have to tell you that our first open meeting of the ACADEMY OF COMIC-BOOK ARTS, held during the summer, was really somethin' else! One of the cleverest entertainers of our time none other than WILL JORDAN, the great monologuist and impressionist (you've seen him break up the Ed Sullivan show a zillion times), provided some of the most hilarious routines we've ever howled at. Our most heart felt thanks to Will, and to all the panelists and guests who made it such a memorable and meaningful affair.

ITEM! We hate to say it, but by the time you read these rueful words JOLLY SOLLY BRODSKY will have left the whacky world of Marveldom Unmitigated to strike out on his own as an independent publisher. We just wanna take a minute now to bid ol' Sol a fond farewell, and to wish this loyal and talented guy all the best — from sorrowful Stan and the whole batty Bullpen

ITEM! We'll end the suspense right here and now! Replacing our departing Production Chief will be none other than JUMBO JOHNNY VERPOORTEN. Marvel's many-faceted Jack-Of-All-Arts! Jovial J. V. will be forsaking his inking chores on the FANTASTIC FOUR as well as his cataclysmic coloring of our capricious covers in order to concentrate on our back-breaking production schedule. And, since everything that happens in this biz is like a game of falling dominoes, JOLTIN' JOE SINNOTT will once again return to the fabulous F. F. as permanent embellisher and resident kibitzer! Now, if we can only find a job for IRVING FORBUSH! Oh well

ITEM! How about RASCALLY ROY and his beauteous bride, JEANIE? They've been attending the Halloween Parade each fall in Rutland, Vermont, where the revelers feature a flock of floats carrying superheroes on parade! In fact, last year Jeanie and Roy went as the INVISIBLE GIRL and SPIDER-MAN! (Of course, it can't be too hard to go as the Invisible Gal – all you've gotta do is – don't show up!) Anyway, don't miss the current ish of AVENGERS, because it features that same Rutland Parade, with our awesome assemblers themselves taking part in the whole magilla!

ITEM! How about another name-dropping session, gang? (Remember last month?) We're bustin' to mention the roster of famous names who really dig our newest sales sensation, CONAN THE BARBARIAN. So here's a grateful Marvel Mention to top science-fiction and screen writer HARLAN ELLISON — the prominent newspaper journalist DON THOMPSON and his talented wife MAGGIE — writer and ERBurroughs expert DICK LUPOFF — literary agent for the R. E. Howard estate GLENN LORD — s-f author and editor TED WHITE — and H. P. Lovecraft's old friend and fellow writer AUGUST DERLETH! The list is almost endless, but the available copies of CONAN aren't – so don't wait too long till you grab ish #2, which is still on sale! (Inabashed plug!)

ITEM! Another couple of young, promising newcomers have just joined our riotous ranks! So say "hi" to BASHFUL BERNI WRIGHTSON who's been doing our mystery covers lately, as well as pencilling, inking, coloring, and co-authoring a yarn in TOWER OF SHADOWS #8! Also, let's welcome ROARIN' RICH BUCKLER, who's presently pencilling a brand-new thriller for us. We wanna keep you in suspense a while longer, but we think the title, MAN WOLF, is sure to grab ya!

STAN LEE'S SOAPBOX

Here's one for the book, Believer! Remember a year or so ago when I mentioned that we were discontinuing our policy of presenting continued stories? We intended to make each yarn complete in itself, right? Well, a strange thing happened. We learned that we have far less control over our stories than we thought. Even though we think of ourselves as their authors, each plot has a way of determining its own direction, its own length! We soon realized our little program just wasn't working out the way we expected. Try as we might, we ended up stretching our story lines over two, and sometimes even three issues again, just as we had been doing in the past. But, here's the kicker. Even though we've long since thrown in the sponge — even though we've been running as many continued stories as ever for the past few months — we STILL get hundreds of letters a week demanding that we abandon our one-plot-per-issue policy and return to continued stories! In other words, a whole kaboodle of mixed-up Marvelites are asking us to what we've BEEN doing all along! So let's hear it from some of the psychology majors among you. Can we formulate a new maxim? Perhaps something like: "The statement of intent may, under certain circumstances, carry more weight than the deed itself." Perhaps the whole furshlugginer concept can be sold to Congress — although I suspect that they've been applying that same little principle since before we were born!

Onward!

RIDIN' THE TRAIL WITH RAWHIDE

c/o MARVEL COMICS GROUP, 625 MADISON AVE. N.Y.C. 10022

Dear Stan and Larry,

Issue #76 of RAWHIDE was fabulous. I hope we don't have to wait too long before the Lynx comes scampering back all Mexican spitfire for revenge.

There's one thing though that really makes me mad. Almost every time you have a woman on the wrong side of the law in your Westerns, you always beat them like nothing.

So, when the Lynx returns, why don't you have her with an all woman band that really means business. That'll be one time Rawhide can't use fists to come out on top. After all, there were Amazons not so long ago.

Rozina Jaworski, 72 Dunster Rd.
Jamaica Plains, Mass. 02130

We'll just set Larry Lieber to thinkin' on that possibility, Rozina. But one important thing to notice—this may be the first RAWHIDE KID letters page with two (count 'em—2) letters from fem frontier fans. If this keeps up, we'd better start thinking about introducing a character like Calamity Jane or Annie Oakley. Right?

Dear Stan and Larry,

I think your newer and your older Westerns are the greatest. But, I think THE RAWHIDE KID is your best western (as if you didn't know). I think Larry Lieber's art is too much to express in mere words. Let's see him do more RAWHIDE KID covers because he does the best on your western drawings (not to mention that Severin's covers are also very good). Also, the way John Tartaglione inks, it's like a work of art. And Stan, you're the best editor in the world. (naturally)

Now that everyone knows how great they really are, lets get down to business. I just love the way Rawhide Kid gets out of almost impossible positions. If he didn't, I guess he just wouldn't be the Kid. Your latest RAWHIDE KID #79 was great. It reminded me of the Kid Colt story at the end of the RAWHIDE KID #67. The plot of this story was developed into the usualy top-notch Marvel Western.

I'd also like to comment on your newest western—WESTERN GUNFIGHTERS. Please let's see more of "Tales of Fort Rango." I was wondering when you would bring the cavalry into your comics. Why not have a cavalry attack squad like Sgt. Fury and his Howlers except in the eighteen hundreds? You could have Major Brett Sabre as the comanding officer and some of the men of the fort as his detail. They could be telegraphed from Washington to do special assignments such as chasing border bandits, breaking up a spy-ring which consists of deserters, and stopping Indian raids on small villages. Also, once and a while, you could have them defending a small outpost. How are these for ideas? I like your new mag. very much so let's see more of it. Keep up the good work, you guys, because in my books you're the best.

Yours truly,
Roland Rangno

Thanks for the suggestions, Roland, and we're glad you like to ride with Rawhide.

One thing about our new smash hit, WESTERN GUNFIGHTERS—it started small, as a twenty-five cent reprint book that also had a few western stories we'd never used and which were cluttering up our shelves. But the book has taken off so well, that we're planning to put in lots more original features, including continuations of the great GHOST RIDER saga, the tale of the hard-ridin' GUNHAWK, and more stories about THE RENEGADES. So be sure to watch for WESTERN GUNFIGHTERS #4, it'll be out in November.

Dear Stan and Larry,

The time has come for the gentler sex to be heard from in Western comics. I turn to THE RAWHIDE KID fan page and all I see are Terence's, Daniel's, Alan's, and Mark's—but not one Ann, Donna, Paula, or Lois.

So, a Diane is now to be heard.

RAWHIDE KID has the cool combination of action, suspense, and a little romance—which every girl needs.

One great question has been aroused in my mind—with all the friends Rawhide has made by now, couldn't he stop running?

Thanks again for bringing a great Rawhide Kid to the great, gorgeous, galloping, gals of the world!

Love,

Diane Nagura, 154 3rd Ave.
San Francisco, Cal. 94118

We're sure glad to remedy that lack on our letters page, Diane, as long as you gals don't start suggesting we give the Kid a pink shirt or something!

But seriously, about your question, maybe this month's issue can give you a reason why the Rawhide Kid keeps looking for peace and a place to settle down, and never quite manages to find it.

Norman Rockwell—America's most beloved artist. He is a founder and member of the Guiding Faculty of the Famous Artists School.

'We're looking for people who like to draw'

says Norman Rockwell

Today hundreds of men and women who never thought they could be artists are working at easels and drawing boards, making pictures and getting well paid for it. They all can thank a group of famous artists who have devoted much of their time and talent to helping others find success in art.

Some of the people the Famous Artists have helped

Donald Ward enrolled at FAS when he was a teenager and today works in the largest advertising agency in Akron, Ohio. His portfolio of work was enough to get him a job on a staff of 6 artists.

Homer Collins, of Albany, Ga., left a job in an insurance company to work as an artist for a local printer. Now he owns his own studio and makes good money while doing something he enjoys.

Paul Sullivan enrolled at 14. His Famous Artists training helped him work his way through college.

Kathleen Gironda of Indiana, Pennsylvania, was an 18-year-old salesgirl in a department store. She still works for a department store, but now it's as an advertising artist and fashion illustrator.

Robert Rouge, of Port Jefferson, N. Y., was 18 when he started as a paste-up boy in a small ad agency. In 10 months he doubled his salary and was put in charge of one of the accounts.

Oregon housewife Helen Tryk lives 150 miles from the nearest big city. But she does fashion illustration, has her own studio, runs an art work shop, does portraits.

A plan to help others

It started over 18 years ago when a group of America's most successful artists—men like Albert Dorne, Norman Rockwell, Jon Whitcomb, Al Parker and Stevan Dohanos—met in New York City. They knew that all over America there were people who liked to draw who could be turned into good artists. Albert Dorne asked, "Why can't we give these people the training they need—including all the trade secrets and know-how we've learned over the years?"

He suggested a new kind of art school—a home study art school—that would give talented people the best professional art training, no matter where they live.

The famous artists agreed. Taking time from their busy careers, they created a remarkable series of art lessons covering every aspect of drawing and painting. They illustrated their lessons with over 5,000 "here's-how" illustrations. The lessons start from scratch and cover every skill a top artist needs. Finally, they developed a wonderful way to give each student personal correction and advice all through his training.

The famous artists with the School are not surprised at the success of their students. The opportunities open to successful artists today are enormous. The School continually gets calls from all over the country asking for practical well-trained students—not geniuses—who can step into full-time or part-time art jobs. And practical, thorough training is what the School offers.

Famous Artists Talent Test

To find others with art talent worth developing, the Famous Artists created a 12-page Talent Test. Thousands paid to take this test, but now the School offers and grades it free. Men and women who do well on the test—or offer other sufficient evidence of art talent—may enroll in the School. But there's no obligation. Simply mail the coupon below.
